ABOUT SGH

SGH Sporting Events was founded in Yorkshire in 2014 by business partners and sports obsessives Simon Hurd and Andrew Jennings.

Through his experiences in golf, Simon, a former European Tour golfer of over a hundred events, saw a gap in the market for a sports events company that offered genuine value for money and integrity. Hence, the company 'SGH Sporting Events' was born.

The years since have been a whirlwind of success for the company. Its reputation has grown into one of the most well-respected tour operators in the UK, offering its loyal customers inside access to features that other companies simply can't reach. The result? SGH Sporting Events is now flourishing.

Put simply, SGH Sporting Events exists to bring your dream sports trip to life. From your initial consultation to the very last moments of your time with us, our mission is to make your dream experience easy, affordable and above all, truly special.

Whether you're looking to take advantage of one of our flagship US Masters packages, or indeed any of our other events, our team of experienced professionals will be on hand every step of the way, offering a personal touch and a depth of knowledge that puts us way ahead of our competitors!

We look forward to seeing you in Augusta in April 2020.

AUGUSTA NATIONAL

The US Masters Tournament is the first major golf championship of the year, played annually at the Augusta National Golf Club in Georgia.

This PGA Tour event is an invitational championship, which awards the famous 'Green Jacket' to its winner, and its tournament Champions earn a lifetime invitation to future Masters events.

Everybody knows that the Augusta National Golf Club is house to the Masters. It is Georgia's dream course, located in a dreamlike setting, and the nearest most of us will get to tee it up on the 1st is in the depths of our dreams.

Augusta National Golf Club is one of the most exclusive clubs in the world. It was designed by the world's greatest golfer, Bobby Jones, who teamed up with the world's greatest architect Alister MacKenzie; the perfect duo to lay down the perfect course.

The Augusta National is the epitome of the type of meadowland course which appeals most keenly to the American taste. From tee to green, there is nothing but closely cropped green turf. The broad expanse of fairway, punctuated with pines and dotted with flashes of white sand, give Augusta a clean, magnificent appearance.

YOUR PRIVATE HOUSE

You will stay in a beautifully decorated house within the Riverwood Plantation, near the renowned Champions Retreat golf club. Grocery store, coffee shop, and restaurants are located nearby. Very convenient for the easy drive to Augusta National.

Located nearby, is the SGH fully hosted house, with chef and waitress service, where you will be able to eat a professionally catered breakfast and dinner each day. All food and beverages are included.

Player & Major Champion drop-in throughout the week at the SGH host house.

Airport transfers to and from Augusta Regional Airport, along with transport to and from the Augusta National Golf Course for the Masters is included. And, to get around locally, a premium hire car is included in the package.

GOLF

We have selected four local courses for you to play:

1. The River Golf Club – www.rivergolfclub.com
2. The Reserve Club – www.thereserveclubatwoodside.com
3. Palmetto Golf Club – www.palmettogoefclub.net
4. Champions Retreat Golf Club – www.championsretreat.net

All golf is co-ordinated by our Golf Professional who travels with us to Augusta.

Please note green fees as well as transport to and from the course are included in the package.
