DALLAGLIO RUGBYWORKS

At Dallaglio RugbyWorks, our mission is to work with young people who have been excluded from school, and ensure that long-term they are not excluded from society.

Each RugbyWorks coach leads small groups of just 8 to 10 young people, establishing the trust and support that's vital to their mentorship. We use sports (especially rugby) as a hook, to increase their physical activity levels, alongside running mental health workshops, career taster days and sessions to help develop their soft skills, increase their engagement with school, and develop their communication and discipline. In 2021/22, we expanded our delivery to include Evening and Holiday programmes, where we offer physical activity, hot meals and mentoring and support outside of the school gates when our young people are most at risk of taking the wrong path and becoming embroiled in crime. All young people also get to set their own goals on our app, Player Profiles.

89% of our year 11s were in Education, Employment or Training (EET) within a year of finishing our programme, compared to the average of 62%. With your support, we hope to continue increasing this number.

FRIENDS OF THE DALLAGLIO RUGBYWORKS

Dallaglio RugbyWorks has great friends across the Sporting arena. Many of them are Sporting greats who share a belief in the power of sport to transform the lives of young people around the United Kingdom. They actively volunteer their time to support the important work of Dallaglio RugbyWorks

DALLAGLIO RUGBYWORKS OPEN 2022

The Inaugural Dallaglio Rugbyworks Open was held in September 2022, aiming to raise money for Dallaglio RugbyWorks.

Mulligans purchased and swings perfected, the 72 golfers teed off early afternoon looking to beat the overcast weather. With our sponsors, Mentzendorff providing some excellent refreshments, the golf began to match up to the standard of the offerings.

Prizes

Post-golf, each player enjoyed a sumptuous BBQ before entering the live auction held by none other than Jonny Gould. With over £40,000 being raised for charity, it truly was a fantastic occasion and 2023 will be sure to be bigger and better with your help.

THE VENUE - 2023

Given its location, flexibility, and premium offering both on and off the course, Sportingclass is delighted to announce The Grove as the host of the Dallaglio RugbyWorks Charity Day. The Grove is home to one of the UK's most prestigious golf courses, and has welcomed many greats of the game; from staging a World Golf Championship event, won by Tiger Woods in 2006, to hosting the British Masters in 2016. The course is open to all who love the game; there is no membership policy.

Kept in championship condition year round, the Kyle Phillips-designed golf course, with its immaculate greens and stunning views, is the perfect location to host an event from both a golf and hospitality perspective.
